PRAY FOR OUR NATION

Chaplain: Julie Carlson

Heavenly Father, we thank you that you are our Sovereign God, the creator and ruler of the universe. You are all-knowing, all powerful, and full of love and compassion. Lord, we pray for our nation to turn to you as the world erupts into chaos. We pray for a peaceful end to the war in the Middle East and the alarming rise in anti-Semitism throughout the world and in the United States. History has taught us that silence in the face of anti-Semitism is equal to participation, so we ask that you stop these protests supporting terrorism and protect Jewish people from hatred and violence. We pray against all threats from within our nation and from outside our borders. We pray for any plans of evil to come to nothing. "We wait in hope for the Lord; he is our help and our shield." (Psalm 33:20).

Thank you for the new Speaker of the House, Mike Johnson, who is a man of faith, and has a reputation for being strong, fair, and kind. Please give him wisdom as he leads the House in facing the country's significant problems.

In Your Name, amen.

PRESIDENT'S MESSAGE

President: Patti Hime | info@rbrepublicanwomen.org

November greetings to everyone. Fall is my favorite time of the year! October was a full meeting! Brad Dacus of The Pacific Justice Institute was an enjoyable and entertaining speaker. We heard Keshia Jarvis-Jones introduce the Foundation For Women Warriors, our new Troop Support organization focusing on women veterans. We also heard from Rebecca Hernandez from Abraxas High School, our community support organization. Both are worthy organizations that we proudly support.

At the October meeting we voted in the slate of officers for the 2024-2025. We look forward to installing the new officers in November. The incoming President, Judy Simeroth will have a fantastic board to ensure our club meetings are information packed, enjoyable events.

The next meeting is our annual Chicos Fashion Show. Come see many familiar faces and maybe a new one or two doing their best catwalk.

See you soon!

Patti

FAQ: How do I find out what age-inappropriate books are in my child's school?

PUSD COMMUNITY WATCH

After repeatedly hearing parents in other school districts speaking out at board of education meetings on pornographic images and vulgar text being assigned or checked out from school libraries, a little research into a couple Poway Unified School District (PUSD) schools started to reveal that age inappropriate and vulgar content was accessible to the students in the district. PUSD Community Watch (PCW) volunteers have put together an extensive database of age-inappropriate books found in the district. We've noticed themes and that PUSD has a pervasive problem. Parents needed to know about the content in these books.

Answer You've Been Waiting For:

Go to the PUSD Community Watch website and click on [LibraryMaterials](#). Scroll down to the bottom of the page to find a School List. From there, you will find each school has their own list of controversial library materials found in the school library catalog.

Minors: PCW does not endorse or approve of minors viewing age inappropriate and vulgar content. Parent permission/supervision is recommended when reviewing the controversial images/text found in summary links. Summaries are intended to bring awareness to parents and community members on what PUSD students have access to and highlight the district's non-compliance with policies and regulations.

| Design 39 Campus | | | | | |
|---|--------------------|----------------|--|------------------------------------|-------------------------|
| Library Resources Follett / Destiny Discover | | | | | |
| Title | Author | Graphic Images | Controversial Text | Book Looks Summary | Book Looks Rating (1-5) |
| All American Boys | Jason Reynolds | none | alcohol & drug use, inflammatory racial and socail commentary, profanity, violence | AMERICAN B | 2 - Teen Guidance |
| Bad Feminist: Essays | Roxanne Gay | | | | |
| George | Alex Gino | none | intro to alternate sexual identities & pronouns, promotes hormones & androgen blockers, medical affirmation (top surgery), suggests need for gender neutral bathroom | GEORGE | 2 - Teen Guidance |
| Long Way Down | Jason Reynolds | none | profanity, racial comment | LONG WAY D | 2 - Teen Guidance |
| Sold | Patricia McCormick | none | explicit sexual activities, prostitution, rape of minor, violence | Sold.pdf | 5 - Aberrant Content |
| The Giver | Lois Lowry | | | | |
| The Hate U Give | Angie Thomas | none | divisive racial commentary, excessive profanity (e.g., f word 97 times; sh word 228 times), sexual activities | THE HATE U G | 3 - Minor Restricted |
| Thirteen Reasons Why | Jay Asher | | | | |
| | | | | | |
| | | | | | |
| | | | | | |

Please check out the books found in your child(ren)'s school library catalog, in the classroom, and through the apps on their Chromebooks. Can you can explain why elementary school students (ages 5-11) should have access to books, such as: All American Boys, Bad Feminist: Essays, Sold, The Power Book: What is it, What Has it and Why?, The Hate You Give, and Thirteen Reasons Why?

PCW (PUSD Community Watch will continue to add library material we believe parents should know about, as time permits. Unfortunately, there is a lot more to add. If the information you discover in the Book Looks summaries stirs up a desire to volunteer a little time to help with this project, please let us know.

Keisha Jarvis-Jones spoke at our October meeting, representing the Foundation for Women Warriors. She was asked to speak as part of our community outreach. The Foundation is a 103-year-old nonprofit organization committed to empowering the economic and personal wellbeing of women veterans. They are based in Vista, CA. Keisha's position at the foundation is the Community Partnerships Director. She began her career as a United States Marine, where she worked for ten years and served as an administrator and reserve career planner, which included such jobs as Female Search Team Advisor, Toys for Tots Coordinator and Funeral Honors Coordinator. She has worked in the veteran nonprofit sector. She currently serves on the City of San Diego Veterans, Military and Families Council.

AMERICANISM

The Coup We Never Knew

Submitted by Paula Carmichael

Did someone or something seize control of the United States

By: Victor Davis Hanson

<https://townhall.com/columnists/victordavishanson/2023/>

What happened to the U.S. border? Where did it go? Who erased it? Why and how did 5 million people enter our country illegally? Did Congress secretly repeal our immigration laws? Did Joe Biden issue an executive order allowing foreign nationals to walk across the border and reside in the United States as they pleased?

Since when did borrowed money not have to be paid back? Who insisted that the more dollars the federal government printed, the more prosperity would follow? When did America embrace zero interest? Why do we believe \$30 trillion in debt is no big deal?

When did clean-burning, cheap, and abundant natural gas become the equivalent of dirty coal? How did prized natural gas that had granted America's wishes of energy self-sufficiency, reduced pollution, and inexpensive electricity become almost overnight a pariah fuel whose extraction was a war against nature? Which lawmakers, which laws, which votes of the people declared natural gas development and pipelines near criminal?

Was it not against federal law to swarm the homes of Supreme Court justices, to picket and to intimidate their households in efforts to affect their rulings? How then, and with impunity, did bullies surround the homes of Justices Brett Kavanaugh, Samuel Alito, Amy Coney Barrett, Neil Gorsuch, John Roberts, and Clarence Thomas—furious over a court decision on abortion? How could these mobs so easily throng our justices' homes, with placards declaring "Off with their d—s"?

Since when did Americans create a government Ministry of Truth? And on whose orders did the FBI contract private news organizations to censor stories it did not like and writers whom it feared?

How did we wake up one morning to new customs of impeaching a president over a phone call? Of the speaker of the House tearing up the State of the Union address on national television? Of barring congressional members from serving on their assigned congressional committees?

When did we assume the FBI had the right to subvert the campaign of a candidate it disliked? Was it suddenly legal for one presidential candidate to hire a foreign ex-spy to subvert the campaign of her rival?

Was some state or federal law passed that allowed biological males to compete in female sports? Did Congress enact such a law? Did

the Supreme Court guarantee that biological male students could shower in gym locker rooms with biological women? Were women ever asked to redefine the very sports they had championed?

When did the government pass a law depriving Americans of their freedom during a pandemic? In America can health officials simply cancel rental contracts or declare loan payments in suspension? How could it become illegal for mom-and-pop stores to sell flowers or shoes during a quarantine but not so for Walmart or Target?

Since when did the people decide that 70 percent of voters would not cast their ballots on Election Day? Was this revolutionary change the subject of a national debate, a heated congressional session, or the votes of dozens of state legislatures? No, of course not.

What happened to Election Night returns? Did the fact that Americans created more electronic ballots and computerized tallies make it take so much longer to tabulate the votes?

When did the nation abruptly decide that theft is not a crime, assault not a felony? How can thieves walk out with bags of stolen goods, without the wrath of angry shoppers, much less fear of the law?

Was there ever a national debate about the terrified flight from Afghanistan? Who planned it and why? And today, the current administration (Biden) is blaming former President Trump for that disaster!

What happened to the once-trusted FBI? Why almost overnight did its directors decide to mislead Congress, to deceive judges with concocted tales from fake dossiers and with doctored writs? Did Congress pass a law that our federal leaders in the FBI or CIA could lie under oath with impunity?

Were Americans ever asked whether their universities could discriminate against their sons and daughters based on their race? How did it become physically dangerous to speak the truth on a campus? How did that happen in America?

How did a virus cancel the Constitution? Did the lockdowns rob us of our sanity? Or was it the woke hysteria that ignited our collective madness?

We are beginning to wake up from a nightmare of a country we no longer recognize, and from a coup we neither knew about nor recognized.

Publisher's note: We want our great America back.
