# PRAY FOR OUR NATION

Chaplain: Julie Carlson

Heavenly Father, we come before You in humble prayer, seeking unity in our nation during these tumultuous times. We ask that You heal the divisions among us, fostering a spirit of collaboration and understanding. Help us to remember Your word in [Ephesians 4:3](#), urging us to *"Make every effort to keep the unity of the Spirit through the bond of peace."*

May we be peacemakers, bridging gaps and extending grace to one another, reflecting Your love in all we do. Guide our hearts and minds towards reconciliation and harmony to stand united under Your banner.

In Your name, we pray. Amen.

ONE NATION  
UNDER GOD

# PRESIDENT'S MESSAGE

President: Melinda Winship | [info@rbrepublicanwomen.org](mailto:info@rbrepublicanwomen.org)

We all knew the 2024 election would be spooled in drama but the last few weeks of politics have been unimaginable on both sides. The worst nightmares have occurred for both parties. These events may divide the parties further apart as emotions elevate. The timing of our special event speaker Jennifer Jacobs addressing dialogue between opposites could not have been better! If you were unable to attend or would like a short recap of her presentation, Jennifer is offering a free zoom briefing on August 9th from 12-2pm. To RSVP go to [TheTransparencyFoundation.org](https://TheTransparencyFoundation.org) website and click on Events tab.

Here are a few takeaways from her presentation I thought were important to remember when confronted by an opposing point of view:

- First, know your audience. You will never, ever convince a “died in the wool” Democrat they are wrong. Walk away with a smile.
- Be a listener; calmly ask them to explain their issue because you really want to understand. Take a breath and gather your thoughts, keep your passion in check.
- Find common ground with the issue. The Parties are not that far apart on ideas. As a matter of fact, we probably all want the same good things, we just have different ideas on how to get there and manage it. Make a story of the issue, how it affects our kids, ourselves or a person you know who is struggling. Point out how and who is responsible for the struggle.
- Know your facts, not media sound bites. You don't need to know enough to write a dissertation but a few statistics which have been fact checked is good to have in your pocket.
- Use Conservative words: Independent Responsibility, Limited Government, Freedom, Hard Work, Life, Safe, etc.
- Keep the conversation to the policies and not personalities.

We all seem to freeze up when confronted and verbally attacked by the opposing Party even when they are family or friends. We are not less passionate we are just more tolerant. I don't know about you but I'm tired of suppressing my opinions. I think we can win our arguments if we can remember the above protocol presented by Jennifer Jacobs!

Exciting News! We're going to be selling tickets for **Trump-related/patriotic items** at the next meeting, and even auctioning off a **Trump sweatshirt!** And, of course, the ever popular "**Share the Purse**" will happen!

Nancy Alvarez brought lots of goodies to our July training event. The club received \$121 from sales.

# LEGISLATION

Patti Hime | Legislation Chair

Assembly Bill 1955 was signed by Gavin Newsom on Monday July 15 that “overrules school boards with policies in place requiring that schools be transparent with parents about their child’s perceived sexual orientation or gender identity, an issue that remains an active subject of debate especially given its potentially life-altering consequences. California is the first state to adopt such legislation and it remains to be seen whether other Democratic states follow its example. [www.nationalreview.com/news/newsom-signs-law-barring-schools-from-requiring-that-parents-be-informed-of-child-gender-transition/](http://www.nationalreview.com/news/newsom-signs-law-barring-schools-from-requiring-that-parents-be-informed-of-child-gender-transition/)

This is immediately being challenged in courts. “By Tuesday evening, the conservative nonprofit Liberty Justice Center said it had [filed a lawsuit](https://edsources.org/2024/newsom-signs-bill-to-end-parental-notification-policies-at-schools-but-opponents-say-its-not-over-yet/715767) challenging the new law on behalf of Chino Valley Unified, which passed a parental notification policy last year.” <https://edsources.org/2024/newsom-signs-bill-to-end-parental-notification-policies-at-schools-but-opponents-say-its-not-over-yet/715767>

Since covid, parents are waking up to what has been happening in our schools. School boards everywhere are under scrutiny for what they allow and approve. We must remain diligent!

A few RBRW were at an event on Saturday, July 27th in support of **Kristie Bruce-Lane’s** campaign for **State Assembly District 76**. Shown here are: Kristie B-L, Dian H, Jan S, LaJoyce R, **Steve Hilton**, Judy S, Connie M, Patti H and Teri W. Steve and Kristie talked about how things can improve in California. ### TRIGGER WARNING:

*"July has been one of the most momentous months in American political history.*

- *We've witnessed a tragic attempted political assassination.*
- *Far-right extremist JD Vance elevated as Donald Trump's running mate.*
- *A divisive Republican convention that was chock-full of angry rhetoric, but short on policy solutions for the American people.*
- *President Biden following in George Washington's footsteps in voluntarily choosing not to seek re-election this November — a selfless act that cements his legacy as a true patriot and public servant.*
- *And Vice President Kamala Harris winning widespread support to become the presumptive nominee of the Democratic Party.*

*All of that in the month of July!"*

*This is an email communication received from Democrat Tim Kaine 2024 Candidate for Senate in Virginia.*

Sorry to scare you with those words, but this is the rhetoric coming from the Left. I am sure your reaction was like mine –Fact Check, please! At least he mentioned the attempted assassination of Donald Trump, though he didn't say his name... and criticized him in the next line.

Many of you attended our July communication conference and learned some techniques to counter the mis-statements by your Democrat friends and family. Stay up to date on the issues and hone your discernment skills, so when you hear outlandish statements - like Joe Biden compared to George Washington - you can control your astonishment and explain that he was the victim of a coup by his own party and was determined to run just days before his decision was announced (on X!)

We are indeed in a summer we'll never forget, with November 5<sup>th</sup> rapidly approaching. As smart, informed Republican Women we need to help others understand what is at stake and get involved in campaign work, train to be a Poll Worker ([SDVote.com](https://SDVote.com)) or Poll Observer ([EIP-CA.com](https://EIP-CA.com)), donating to a candidate or issues you feel passionate about. We need all eyes on this election process, and we desperately need to win all the way down the ticket, including Propositions and Assembly Bills that will impact us socially and financially.

# COMMUNITY OUTREACH

Charlotte Leamy and Paula Carmichael | Co-Chairs

RBRW please support our Abraxas High School Students as they start the new school year by providing either gift cards or checks. At this time, Rebecca Hernandez, Student Services Specialist, requests gift cards for retail and grocery stores, local restaurants or monetary donations. Abraxas just received canned goods from a local church, so their pantry is well stocked.

Rancho Bernardo Republican Women value each and every student in our school system. One of our many Poway Unified Schools is Abraxas High School, an alternative education option for teens. The school is a source of stable support, so needed to be a positive element of one's education. Among the student population, many receive free or reduced priced lunches, which many times is the only nutritious meal for the day. Many students have to contend with unstable living situations or transitional housing. Others have challenging home life situations. At this time, 13% of the students are in unstable housing situations.

Thank you in advance for all your support by providing gift cards and checks,

#### Gift Cards in \$25 Increments:

Aldi.	Albertsons
Sprouts.	Vons.
Target.	Walmart.
Stater Brothers.	Smart and Final.

#### Gift Cards to restaurants \$25

Dominoes

Subway
Fast Food

Checks need to be written to Abraxas High School Foundation with Student Services in the memo. Thank you, so much, for helping with our community outreach project

# IN-OTHER NEWS...

Jennifer Jacobs had a plethora of ideas for us to use when talking with our liberal friends. (She even brought President Trump as back-up!)

Members were very engaged in Jen's presentation.

- It's just easier to be a liberal

# AMERICANISM

Submitted by Julie Carlson

## Four Prayers Historical American Leaders Have Prayed for Our Nation

Throughout history, American presidents have turned to prayer in times of national crisis and need.

**George Washington:** "Almighty God, we make our earnest prayer that Thou wilt keep the United States in Thy holy protection; that Thou wilt incline the hearts of the citizens to cultivate a spirit of subordination and obedience to government; and entertain a brotherly affection and love for one another and for their fellow citizens of the United States at large."

**Abraham Lincoln:** "I have been driven many times upon my knees by the overwhelming conviction that I had nowhere else to go. My own wisdom, and that of all about me, seemed insufficient for that day."

**Thomas Jefferson:** "Almighty God, who has given us this good land for our heritage; We humbly beseech Thee that we may always prove ourselves a people mindful of Thy favor and glad to do Thy will. Bless our land with honorable ministry, sound learning, and pure manners."

**Ronald Reagan:** On the National Day of Prayer in 1983, President Ronald Reagan offered a heartfelt prayer for the nation: "We pray for all who serve in this House and the Senate and for the President and the Vice President, and all who serve with them, that we may ever be worthy in our service to our land."

### **Winston Churchill's Famous Prayer for Peace**

Winston Churchill, though not an American leader, is remembered for his inspirational speeches and writings during challenging times. One of his notable prayers is as follows:

"O Lord, save us all from the fear of the unknown. Give us peace of mind and peace of heart, that we may live our lives with a quiet courage, seeking Your will, serving Your purpose, and resting secure in Your love. Through Jesus Christ our Lord. Amen."

As we humble ourselves before God, we can trust in His promise to heal our land and guide us through these challenging times. Let us approach the coming months with "a quiet courage," standing for unity over division and peace over conflict. May our prayers serve as a beacon of hope and a testament to our faith in His enduring grace and sovereignty.
